

# Time Out & About A week in pictures...

The hottest crowds (and fuzziest citizens), papped by our photographer

## Thought you saw a pussy cat?

There were grouchy cats, fluffy cats, cute, scruffy and cuddly cats all waiting for someone to take a shine to them and take them home, at the Summer Lovelies Adoption Day. The event, which was hosted by Feline Friends Abu Dhabi was a great success and five homeless kitties found new owners to take care of them. No doubt they're discovering their favourite new cushions and windowsills to nap on as you read this.
